

Below is the new Area 74 E-Newsletter Subscription form that we developed at your request. If your group no longer wishes to receive a hard copy of the newsletter then fill this form out and return to us.

It is very important that you fill out the form entirely **including your group number**. We will use your group number to locate your group in the mailing labels we receive from the Registrar. We will then remove you from the list for future mailings of the newsletter. This removal will **only** affect your receiving the newsletter; all other correspondence should remain the same.

We will continue to honor your request for two years or until notified by the group of a change. Therefore if you change GSR's during the next two years it will be **your responsibility to notify us of the change**, otherwise your group will not receive the newsletter.

If you have any questions feel free to contact us.
