To all local members of the Clergy:

Thank you for your interest in Alcoholics Anonymous.

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

Perhaps you have members of your congregation struggling with a drinking problem who could benefit from the program of A.A. The goal of our Cooperation with the Professional Community Committee of Alcoholics Anonymous is to provide resources to you that would allow you the opportunity to introduce your church member with alcohol issues to the Fellowship of A.A.

Literature that could be provided to you includes a fact sheet that briefly explains the program of A.A, updated calendars of local A.A. meetings, and brochures that you may offer to a person who you feel might benefit from A.A.

Please feel free to contact our committee if you have further questions regarding Alcoholics Anonymous or if interested in receiving more A.A. related literature by sending an email to the CPCCI committee. Thanks to the assistance of caring individuals like you, Alcoholics Anonymous is assisting over two million alcoholics in over 180 countries worldwide.

If you would like to email me, please send the email to me at Dist04.CPC.PI.Chair@aawidistrict04.org.

Sincerely,

Senica O., Chairperson

Chairperson, Stevens Point and Waupaca Cooperation With the Professional Community Committee of Alcohol Anonymous
